Cedar Garden - Kitchen hygiene standards (house rules)

Sample file for the HURANTEA preview - not a real client document.

Translate these rules for our Arabic-speaking staff

1. Wash hands before work, after breaks and after handling raw meat.
2. Keep raw and cooked food apart, with separate boards and knives.
3. Keep cold food in the fridge at or below 7 degrees C.
4. Label every container with the date it was opened.
5. Clean work surfaces after every task and at the end of each shift.
6. Report any illness to the manager before starting work.
